Homeowner will have 90 days from approval date to complete the approved work. All improvements will have a final inspection completed by a member of the A.R.C.

Important Note: Approval by the Architectural Review Committee does not constitute approval by local governing agencies. It is the sole responsibility of the applicant to determine and comply with all governmental regulations, statues, codes, and zoning requirements. It is the responsibility of the applicant to secure all permits, inspections, authorization, and/or permission from governmental agencies , and owner must furnish a copy to the WECA office before work commencement. It is the applicant’s sole responsibility to ensure that any work commencing is within the property limits and meets all building setback and easement restrictions.

It is the applicant’s responsibility to protect all elements inside the Association easements, and to return any area disturbed by the installation of a modification to the same standards as previously existed. Upon completion of the improvement, the Association shall review and determine that the installation is in completion with the approval provided.

If the improvements are deemed incomplete or further work is necessitated, applicant shall be provided with a deadline for the completion of the work. If the improvements are not completed to the satisfaction of the Association within the time lines provided, the Association may impose penalties until completion occurs.

The Architectural Review Committee will review all Architectural change Request Forms within 30 days of receipt. A copy of the completed request, signed by (2) members of the executive board, will be mailed or emailed, to the Owner’s home.
