Enclosed are your monthly payment coupons. Include a coupon with each monthly payment. Dues received after 5:00 pm on the last *BUSINESS* day of the month will be considered late, no exceptions. Please note accounts that carry a past due balance incur added fees (noted below), so please refer to your monthly reminder statement promptly.

Finance charges will be assessed on the entire past due balance (6% APR); AND a \$20 late fee will be assessed to any balance carried forward to the next month. Please, mail your payment early to ensure timely posting to your account. A \$25 fine will be imposed on all returned checks.

NOTE – Monthly statements are a reminder only; dues are due and payable on the first of the month. If you choose to pay through electronic banking, you must initiate payment (10) days in advance, as your financial institution will cut and mail a check to the association (payments are not received electronically). Thank you!
