ARTICLE IV
COVENANT FOR MAINTENANCE ASSESSMENTS

Section 1. Creation of the Lien and Personal Obligation of Assessments. Each Owner of any Lot by acceptance of a deed therefor, whether or not it shall be so expressed in such deed, is deemed to covenant and agree to pay to the Association: (1) annual assessments or charges, and (2) special assessments for capital improvements, such assessments to be established and collected as hereinafter provided. The annual and special assessments, together with interest, costs and reasonable attorney's fees, shall be a charge on the land and shall be a continuing lien upon the property against which each such assessment is made. Each such assessment, together with interest, costs, and reasonable attorney's fees, shall also be the personal obligation of the person who was the Owner of such property at the time when the assessment fell due. The personal obligation for delinquent assessments shall not pass to his successors in title unless expressly assumed by them.

Section 2. Purpose of Assessments. The assessments levied by the Association shall be used exclusively to promote the recreation, health, safety, and welfare of the residents in the Properties and for the improvement and maintenance of the Common Area.

Section 3. Maximum Annual Assessment. Until January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment shall be One Hundred Eighty Dollars ($180.00) per Lot.
(a) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased each year not more than 5% above the maximum assessment for the previous year without a vote of the membership.

(b) From and after January 1 of the year immediately following the conveyance of the first Lot to an Owner, the maximum annual assessment may be increased above 5% by a vote of two-thirds (2/3) of each class of members who are voting in person or by proxy, at a meeting duly called for this purpose.

(c) The Board of Directors may fix the annual assessment at an amount not in excess of the maximum.

Section 4. Special Assessments for Capital Improvements. In addition to the annual assessments authorized above, the Association may levy in any assessment year, a special assessment applicable to that year only for the purpose of defraying, in whole or in part, the cost of any construction, reconstruction, repair or replacement of a capital improvement upon the Common Area, including fixtures and personal property related thereto, not adequately covered by the Association's reserve fund for such purpose, provided that any such assessment shall have the assent of two-thirds (2/3) of the votes of each class of members who are voting in person or by proxy at a meeting duly called for this purpose.

Section 5. Notice and Quorum for Any Action Authorized
Under Sections 3 and 4, written notice of any meeting called for the purpose of taking any action authorized under Section 3 or 4 shall be sent to all members not less than 30 days nor more than 60 days in advance of the meeting. At the first such meeting called, the presence of members or of proxies entitled to cast sixty per cent (60%) of all the votes of each class of membership shall constitute a quorum. If the required quorum is not present, another meeting may be called subject to the same notice requirement, and the required quorum at the subsequent meeting shall be one-half (1/2) of the required quorum at the preceding meeting. No such subsequent meeting shall be held more than 60 days following the preceding meeting.

Section 6. Uniform Rate of Assessment. Both annual and special assessments must be fixed at a uniform rate for all Lots and may be collected on a monthly basis, except that one-twelfth (1/12) of the portion of each owner's annual assessment allocable to the reserve fund for the replacement of improvements to the common area (as set forth below) must be paid by each owner monthly.

Section 7. Date of Commencement of Annual Assessments Due Dates. The annual assessments provided for herein shall commence as to all Lots on the first day of the month following the conveyance of the Common Area. The first annual assessment shall be adjusted according to the number of months remaining in the calendar year. The Board of Directors shall fix the amount of the annual assessment against each Lot at least thirty (30)
days in advance of each annual assessment period, which assess-
ment shall be allocated in part to a reserve fund for replacement
of the improvements to the Common Area. Written notice of the
annual assessment shall be sent to every Owner subject thereto.
The due dates shall be established by the Board of Directors.
The Association shall, upon demand, and for a reasonable charge,
furnish a certificate signed by an officer of the Association
setting forth whether the assessments on a specified Lot have
been paid. A properly executed certificate of the Association
as to the status of assessments on a lot is binding upon the
Association as of the date of its issuance.

Section 8. Effect of Nonpayment of Assessments:
Remedies of the Association. Any assessment not paid within
thirty (30) days after the due date shall bear interest from the
due date at the rate of 6 per cent per annum. The Association
may bring an action at law against the Owner personally obligated
to pay the same, or foreclose the lien against the property. No
owner may waive or otherwise escape liability for the assessments
provided for herein by non-use of the Common Area or abandonment
of his Lot.

Section 9. Subordination of the Lien to Mortgages.
The lien of the assessments provided for herein shall be subordin-
ate to the lien of any first mortgage. Sale or transfer of any
Lot shall not affect the assessment lien. However, the sale or
transfer of any Lot pursuant to mortgage foreclosure or any
proceeding in lieu thereof, shall extinguish the lien of such
as to payments which become due prior to such sale or transfer. No sale or transfer shall relieve such Lot from liability for any assessments thereafter becoming due or from the lien thereof.

Section 10. The Developer shall be exempt from the payment of any annual assessment or charge with respect to any lots owned by it unless the annual assessments levied upon the owners of all other lots shall be insufficient in the aggregate to cover the actual cost of maintaining all lots to the extent imposed upon the Association in this Declaration. In case of any such insufficiency, the Developer shall be responsible for the payment of same, not to exceed the total annual assessments and charges it would otherwise be required to pay if this exception did not exist.

Section 11. Rights of Mortgagors.

(a) Without obtaining the prior written consent of at least 75% in number of the persons holding first mortgages on any of the Lots, the Association may not:

(1) Seek, by act or omission, to abandon, partition, subdivide, encumber, sell, or transfer all or any part of the Common Area or any improvements thereon (except that the Association may grant easements through, over, or under the Common Area for public utilities or for other public purposes consistent with the intended use of the Common Area);
(ii) Change the method of determining the annual and special assessments charged to each Owner, as set forth in this Article IV;

(iii) By any act or omission change, waive, or abandon the provisions of Article V hereof;

(iv) Fail to maintain policy of fire insurance with extended coverage on all improvements to the Common Area, in an amount of the then current replacement cost thereof, but not less than 100% of the insurable value thereof, based on then current replacement cost; or

(v) Use the proceeds of any hazard insurance for losses to any improvements to the Common Area for other than the repair, replacement, or reconstruction of such improvements.

(b) The holder of any first mortgage on any Lot shall have the right, individually or collectively,

(1) To examine the books and records of the Association during regular business hours, after reasonable notice to the president of the Association; and

(11) To pay taxes and other charges with respect to the Common Area which are in default and which have become or may become a charge against all or part of the Common Area; and
(iii) To pay overdue premiums on hazard insurance policies insuring the Common Area and the improvements thereto or to secure new policies of such type in the event that previous coverage has lapsed.

Any sums paid by any first mortgagee pursuant to subparagraphs (ii) or (iii) hereof shall be immediately due and payable by the Association to the mortgagees who advanced such funds.

Section 12. Insurance. The Association shall take out, maintain, and keep in force such policies of insurance as the Board of Directors shall from time to time determine. At all times, however, the following insurance coverage shall be maintained by the Association:

(a) Fire and other casualty insurance with "extended coverage" endorsement, covering the Common Area and the improvements thereto, in an amount not less than 100% of the replacement cost thereof. The Board of Directors shall periodically review the adequacy of the limits of existing policies.

(b) Comprehensive public liability insurance covering the Common Area, with such limits of liability as the Board of Directors shall from time to time determine. Such policy of insurance shall name the Association and all Owners as insureds and shall contain a "severability of interest" endorsement which shall cover cross liability of one insured against another and shall preclude the insurer from denying the claim of an Owner arising out of the negligent act or omission of the Association or another Owner.
ARTICLE V
ARCHITECTURAL CONTROL

No building, fence, wall, or other structure shall be commenced, erected, or maintained upon the Properties, nor shall any exterior addition to or change or alteration therein be made until the plans and specifications showing the nature, kind, shape, height, materials, and location of the same shall have been submitted to and approved in writing as to harmony of external design and location in relation to surrounding structures and topography by the Board of Directors of the Association, or by an architectural committee composed of three (3) or more representatives appointed by the Board. In the event said Board, or its designated committee, fails to approve or disapprove such design and location within thirty (30) days after said plans and specifications have been submitted to it, approval will not be required, and this Article will be deemed to have been fully complied with.

ARTICLE VI
GENERAL PROVISIONS

Section 1. Street Lighting. The installation and maintenance of the street lighting system in both the common areas and the areas dedicated to the Township of Cain shall be the responsibility of the Association.
Section 2. Enforcement. The Association, or any Owner, shall have the right to enforce, by any proceeding at law or in equity, all restrictions, conditions, covenants, reservations, liens, and charges now or hereafter imposed by the provisions of this Declaration. Failure by the Association or by any Owner to enforce any covenant or restriction herein contained shall in no event be deemed a waiver of the right to do so thereafter.

Section 3. Severability. Invalidation of any one of these covenants or restrictions by judgment or court order shall in no wise affect any other provisions which shall remain in full force and effect.

Section 4. Amendment. The covenants and restrictions of this Declaration shall run with and bind the land, for a term of twenty (20) years from the date this Declaration is recorded, after which time they shall be automatically extended for successive periods of ten (10) years. This Declaration may be amended during the first twenty (20) year period by an instrument signed by not less than ninety (90%) per cent of the Lot Owners, and thereafter by an instrument signed by not less than seventy-five (75%) per cent of the Lot Owners. Any amendment must be recorded.

Section 5. Annexation. Additional land within the area described in Deed Book G 42, page 56, etc., may be annexed by the Developer without the consent of the members within ten (10) years from the date of this instrument, provided that the FHA and VA determine that the annexation is in accord with the general plan heretofore approved by them.
Section 6. FHA/VA Approval. As long as there is a
Class B membership, the following actions will require the prior
approval of the Federal Housing Administration or the Veterans
Administration: annexation of additional properties, dedication
of Common Area, and amendment of this Declaration of Covenants,
Conditions and Restrictions.

IN WITNESS WHEREOF, the undersigned, being the
Developer herein, has hereunto set its hand and seal this 8th
