2020 COVID Liability Waiver

Everyone in your household 18 years and older who is requesting an adult pool pass must complete and sign this form (last page) and the entire form must be returned with your application!

The Wedgwood Estates HOA Board is monitoring the government response to the COVID-19 outbreak. As of now, state and local guidelines allow us to open the pool for use this season. By using the Wedgwood Estates HOA Pool Facility, you understand that there is a possibility of the spread of viruses, including COVID-19, and by being at the pool facility you are doing so at your own risk.

To ensure safety of our facilities:

1) Bathrooms will be closed.
2) No pool furniture will be provided. You may bring your own chairs or blanket to sit on, and you must take all items with you when you leave. Items left behind will be disposed of at the end of the day.
3) You are required to maintain 6’ social distancing at all times within the HOA pool facilities.

The pool will be closely monitored to maintain the CDC’s recommended chlorine levels. As of now, the CDC states that pool water kept at appropriate chlorine levels is not shown to allow COVID-19 to be passed on from person to person while in the pool. If this changes for any reason, we will need to close the HOA Pool Facility to comply with government guidelines, without notice.

Assumption of Risk:

For the 2020 pool season, if you choose to use the HOA Pool Facility in Wedgwood Estates, you are stating that:

I acknowledge the contagious nature of COVID-19 and voluntarily assume the risk that my family, including child(ren), and I may be exposed to or infected by COVID-19 while on site at the pool and that such exposure or infection may result in personal injury, illness, permanent disability, and death.

I understand that the risk of becoming exposed to or infected by COVID-19 at the pool may result from the actions, omissions, or negligence of myself and others, including, but not limited to, Wedgwood Estates, the Wedgwood Estates HOA Board, Pool Committee members (paid and volunteer), pool management company’s employees, volunteers, and other participants/attendees and their families.

I voluntarily agree to assume all of the foregoing risks and accept sole responsibility for any injury to my child(ren) or myself (including, but not limited to, personal injury, disability, and death), illness, damage, loss, claim, liability, or expense, of any kind, that I, my family and my child(ren) may experience or incur in connection with attendance at the pool or participation in pool activities (“Claims”).

On my behalf, and on behalf of my children, I hereby release, covenant not to sue, discharge, and hold harmless Wedgwood Estates, the Wedgwood Estates HOA Board, Pool Committee members (paid and volunteer), and the pool management company and their employees, agents, and representatives, and their families, of and from the Claims, including all liabilities, claims, actions, damages, costs or expenses of any kind arising out of or relating thereof.

I understand and agree that this release includes any Claims based on the actions, omissions, or negligence of Wedgwood Estates, the Wedgwood Estates HOA Board, Pool Committee members (paid or volunteer), or other individuals acting on behalf of the Wedgwood Estates HOA Board, the pool management company and their employees, agents, and representatives and their families, whether a COVID-19 infection occurs before, during, or after participation in pool facility activities.
Additional and Amended Rules for 2020 Season

To comply with CDC guidelines, we ask that anyone using the HOA Pool Facility to follow these additional rules for the 2020 pool season:

1) If you have a cough, shortness of breath or difficulty breathing, fever, chills, muscle pain, sore throat, new loss of taste or smell, and/or red swollen fingers and/or toes, do not enter the pool area. **If you have been in contact with anyone that is sick with COVID-19** or other communicable virus or illness, or if you have family members living in your household that are sick with COVID-19 or other communicable virus or illness, do not come to the HOA Pool Facility.

2) Please maintain 6’ distance between you/your family and others in the pool, and in the pool enclosure.

3) To keep the amount of people at the pool to a minimum and to allow full access to our HOA members, we are NOT allowing guests or visitors to be brought into the HOA Pool Facility at this time. **No guest passes will be issued this year.**

4) There will be a occupancy limit at 50% capacity. Limit of members in the pool enclosure will be enforced by the lifeguard on duty, and/or HOA board appointed member. Once occupancy capacity has been reached, the first members signed in on the daily register will be asked to leave the pool facility. Members are asked to be cooperative with this process, and sign in and out of the register.

5) On busy days, residents may make a maximum of (2) visits per day.

6) Food and drinks are permitted, but all residents must clean up after themselves, and all trash must be taken home with you when you leave.

7) **Diapers cannot be changed in the pool enclosure.**

8) **No Pool toys, rafts or floats are allowed in either the baby (wading) pool or the main pool.** Personal flotation devices for children that are attached to the child are allowed. **Pool noodles are allowed;** however, they must remain in your assigned area when not in use, and they must be taken home with you.

9) Anyone with an adult pass (15 years and older) may come to the pool by themselves.

10) Anyone with a child pass (younger than 15 years) must be accompanied by their parent or guardian. **Please do not bring neighbor’s children with you.** Everyone entering the pool together must reside in the Wedgwood Estates residence listed on the pool passes.

11) Pool attendees must bring their own chairs or blanket and sit at least 6 feet apart from other families.

12) **Masks must be worn** by everyone over two years of age, coming in or out of the pool enclosure, when walking around the pool enclosure and when interacting with gate keeper or lifeguard.

13) Any resident not adhering to these rules, as well as the general pool rules, may lose their pool privileges for the 2020 Pool Season, without warning or notice.

14) Sanitize your hands and the hands of those in your care frequently while at the HOA pool facility. Sanitizer will not be supplied, bring your own supply with you.

15) If anything changes concerning the pool use for the 2020 season, we will be sure to notify you. If government declarations should change, and facilities are limited or forced to close, there will be no refunds for proration of season, and/or non-use of HOA pool facilities.

If you have any questions, please contact the Wedgwood Estates HOA Board at: info@wedgwoodestates.com
